**Re: LTL Management LLC, Case No.: 21-30589-MBK**

Dear Judge Kaplan:

This firm is the Proposed Counsel for Randi S. Ellis, Legal Representative for Future Talc Claimants ("FTCR") in the above-referenced action. The FTCR's Application for Retention of Professional (Dkt. 1845) is currently pending before the Court. Enclosed for the Court's consideration is a Supplemental Certification of Professional in Support of that Application with Exhibits A-C and a revised Proposed Order. It is our understanding that the Supplemental Certification and revised Proposed Order have resolved all issues with the US Trustee's inquiry concerning the Walsh firm's retention as counsel for the FTCR, and there have been no other objections to the FTCR's Application to retain the Walsh firm.

Should the enclosed revised Proposed Order be acceptable to Your Honor, we respectfully request the Court enter the same. We thank the Court for its attention to this matter and remain available should Your Honor or Your Honor's staff have any questions regarding the within.

Respectfully submitted,

*s/Mark Falk*
